Comments	10/18/2021 Requested GPL. Spoke with the owner, Edward Hickson. They never sent one			+ The allegations include but are not necessarily limited to that Respondent, as funeral director in charge of Covell Family Home & Cremation Services, failed to do the following: have adequate refrigerated storage for the average daily number of bodies stored; properly affix proper identification to the ankle or wrist of all deceased in custody; and complete and retain monthly bodies handled reports. The matter is before the Board on a proposed Settlement. It calls for a \$2000 fine and probation for one (1) year		I visited Abundant Favor on 10/18/2021. The woman I spoke with said the owner had just left. She took my information. But stated that they just didn't give out their GPL			Some pricing information available on website. Cremation package is \$990. Includes professional services, \$300; Refrigeration, \$150; Removal, \$150; Cremation, \$55; Medical Examiner Fee, \$5; and a no cost container.		Internet pricing is lower by about 23%	GPL is non compliant. No direct cremation or immediate burial listed		Timely Response and clear GPL
